**A Non-Profit
501 (C) (3) Charity**

The mission of The Friends of the Surprise Libraries, Inc is to promote the presence of the Libraries for the benefit of the community and to create public awareness by serving as an advocate for Libraries. We also support literacy and reading programs.

WHO WE ARE

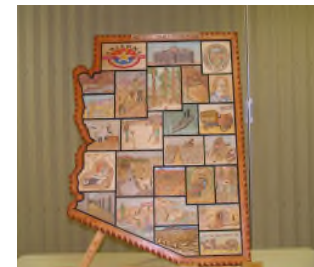

We are a group of local citizens who volunteer our time to promote Libraries, literacy and reading programs in our communities.

WHAT WE DO

We accept donations of gently used books and other media to sell at our used book store, Friend's Place, located inside the lobby of the Surprise Regional Library. These books are sold in order to fund programs and special items for the Public Libraries, to support local School Libraries, Reading Specialists and Teachers focused on reading programs.

HOW CAN YOU HELP?

Donate your gently used paperback or hardback books, your DVDs and magazines to Friends' Place. Donation receipts are available. Join Friends as a member and Volunteer. Make a tax deductible donation on line at our website.
